

## 16.Organic Forming

*“ When Health is absent , wisdom  
Cannot reveals itself , art cannot  
Manifest , strength cannot fight, wealth  
become useless and intelligence  
Cannot be applied”*

### 16.1 Origin of this project :

SASSS Director attended the seminar conducted in Hyd. on Zro Budget Natural farming. This had inspired the society to initiate this program in Ramaligapuram. Society having 50 acres of land Mr. Venkat having experience in Malaysia approached the society that he will take-up this project and develop model form to train the formers.

**Zero budgets farming or holistic is a method of agriculture that counter the commercial expenditure and things required for the growth of plants are present around the root zone**

### 16.2 Concept of this project

- An approach towards sustainability
- Expense - farming
- Farming up to 30 acres with one native cow.
- Farming with minimum electricity and water consumption
- Producing quality poison free food
- Agriculture without external input
- Techniques of multi-crop cultivation for higher net income
- Reducing external labour requirement.
- Farming in tune with nature
- Saving the farmers from suiciding themselves and leaving their families as beggars.

### 16.3 With this concept

- We have already started natural farming in the year 2017.
- We have produced mize and corn.
- We have developed poultry farm.

Preparing natural pesticides. Started motivating two tribal villagers towards natural farming
